FF FLINT'S FINE FURNITURE

TRADE MARK.

THE CORNER IS THE DECORATOR'S DELIGHT.

Nowadays, instead of furnishing to one common centre, we search out the corners, furnish them harmoniously yet distinctly, thus dividing the room into a number of social, cozy retreats.

For bay-window nooks, we have delightful draperies, screens of Moorish and Arab cotton tapes- tries, reed and rush divans and wealth of bright-colored Oriental pillows. For the cool Delft corner, East Indian retort or Japanese arrangement, endless varieties of light and airy things.

Come and see our corners.
